Seafood Products

Prime Quality Seafood from Ecuador, Peru and Chile

Nuestra Empresa

Exportadora de Camarón Ecuatoriano es una empresa constituida como compañía dedicada al procesamiento y exportación de camarón (*Penaeus Vannamei*), y con una trayectoria dentro de la actividad de producción camaronera desde el año 1992.

Somos una empresa dinámica, innovadora y ágil, que tiene como objetivo garantizar la calidad de nuestros productos y servicios y la satisfacción de nuestros clientes, mediante rigurosos controles de calidad. Contamos con profesionales con mucha experiencia y en constante capacitación.

Creemos en las relaciones de negocios a largo plazo, basados en la transparencia, buenos principios y valores. Contamos con una planta procesadora totalmente equipada y moderna que se encuentra ubicada en Santa Rosa, Provincia de El Oro, en el sur del Ecuador, ciudad donde se originó el cultivo de camarón

Our Company

Exporter of Ecuadorian Shrimp Cia. Ltda, is a company incorporated as a company dedicated to the processing and export of shrimp (*Penaeus vannamei*), and with a trajectory within the activity of shrimp production since the year 1992.

We are a dynamic company, innovative and agile, which has as its objective to ensure the quality of our products and services and the satisfaction of our customers, through rigorous quality controls. We have professionals with a lot of experience and continuous training.

We believe in the business relations in the long term, based on transparency, good principles and values. We count with a processing plant fully equipped and modern that is located in Santa Rosa, El Oro Province in the south of the Equator, city where it originated the shrimp farming.

PLANTA DE PROCESO EN SANTA ROSA - ECUADOR

Misión
